

The Lund US & Canadian Military discounts are open to all Armed Forces on active duty, in the Reserves or National Guard, honorably discharged or retired, as well as immediate family members of servicemen killed in military conflicts. Active duty servicemen require a copy of your current military I.D. card. Former servicemen who were honorably discharged require discharge paperwork applicable to that country's armed forces. Immediate family members (mother, father, brother, sister, spouse, child) of servicemen killed in military conflicts require a Death Certificate verifying serviceman was killed in military conflict dated 1991 or later, or submit a record of Casualty Notification Actions dated 1991 or later, or submit an official military condolence letter dated 1991 or later. Servicemen from other countries such as Canada should provide death notice paperwork applicable to that country's armed forces.
